MRP TRANSPORTATION LLC  
Data Request

1. If you are planning to drive with Uber you do not require a certificate of public Convenience; however, if you intend to operate as an independent limousine company operating under your own authority then you should remove reference to Uber in your authority request.
2. Before your application can be processed further, you are required to provide an acceptable description of the proposed service area. Your request should be limited to a scope which can be supported by your present resources and financial position. As your business grows, additional territories and rights may be applied for. Applicants who request service areas beyond the scope of their resources risk the outright denial of their application, or possible Commission dictated revisions to their original request.

Your proposed service area must be fully bound, and easily discernible. Terms such as, “nearby counties” are not suitably specific. The use of municipal boundaries, roads, railroads, or natural boundaries such as rivers and streams, etc., are generally specific enough.

Example:

- a. Between points in Pennsylvania
  - b. between points in the counties of X, Y, and Z.
  - c. from points in the counties of X, Y, and Z, to points in Pennsylvania, and return.
  - d. from points in the counties of X, Y, and Z, to points in the counties of A, B, and C, and return
3. Question #1 of the applicant’s verified statements asks who is providing the responses for the applicant – “N/A” is not a valid response.
  4. Question #2 of the applicant’s verified statements requests that the applicant provide a description of their experience – simply saying one is a businessman and has done research does not adequately respond to the request. Please provide a complete detailed response.
  5. Question #4 of the applicant’s verified statements requests that the applicant provide a description of its facilities, record maintenance plan and its communication

network. Your response is inadequate. Please review the question once again and provide a detailed response that addresses each facet of the question.

6. In response to Question #5: **when asked to provide a plan you are expected to provide a PLAN which is fully responsive to each portion of the question** and to ensure that the plan satisfies the requirements of 52 Pa Code. You may hire a third party to execute the actual check, but you, as the applicant, are expected to establish a policy which complies with the governing laws and regulations. You are also expected to provide this Commission with written evidence of said plan/policies.
  - a. In reference to Question #5
    - i. You are specifically advised to review the requirements of the following chapters of 52 Pa Code **and to submit EVIDENCE of compliant plan for drivers which completely addresses the following:**
      - § 29.503. Driver Age
      - § 29.504. Driver history (record retention)
      - § 29.505. Criminal history (schedule and record retention)
7. Question #6 of the applicant's verified statements requests that you address multiple issues. Please review the question once again and provide a detailed response that addresses each facet of the question.
8. Please explain your plan for acquiring multiple vehicles to commence operations. Will these vehicles be financed, purchased with cash, or leased? What are the expected terms for the acquisition and what is the anticipated overall expense associated with the acquisitions?
9. Your vehicle safety program is absent. Please provide a copy of your complete safety program and include copies of your vehicle maintenance plan.

Can provide a copy of your daily vehicle inspection checklists?
10. Question #8 of the applicant's verified statements requests that you provide a description of your exploration of insurance costs. To this request you have provided no response. Please provide information on your insurance quotes. Include the provider's name, policy limits, and expected annual costs. Do you intend to pay your premiums in monthly installments, or will you pay the entire premium in advance?
11. You have provided no statement of Financial Position. Please review the below criteria and submit a compliant Statement of Financial Position **and provide evidence to support the statement (required):**
  - a. The statement presented must be **DATED and comprised of information which is less than 6 months old.**

- b. The submission **MUST** be comprised of information which is **accurate as of the date provided.**
- c. **The information is to be exact and should not include estimates or approximations when accurate numbers are available.** Property and vehicle valuations may be approximations; however, if the valuation is higher than typical Kelly Blue Book (or similar) valuations, you should provide an explanation as to why (e.g. vehicle with an installed wheelchair lift, etc). Bank accounts and loan balances should be exact amounts (rounded to the nearest dollar).
- d. **ALL** relevant **assets and debts** are to be included (**vehicle loan balances/vehicle asset value, lease expenses, etc.**).
- e. **The information provided is also to be strictly limited to assets and debts HELD BY THE APPLICANT (MRP TRANSPORTATION LLC), and not the individual member(s). Any property and accounts listed MUST be registered or titled to the corporation. Bank accounts must be in the name of MRP TRANSPORTATION LLC. Vehicles must be registered to MRP TRANSPORTATION LLC. Property must be titled to MRP TRANSPORTATION LLC. Relevant Vehicle and facility leases should also be properly shown and allocated. If you have not fully funded and equipped the business, now is the time to do so (before re-submitting your updates). Applicants lacking suitable finances, resources, and equipment will be denied authority.

**Finally, in order to fully assist the Commission in verifying your financial fitness**, please provide supporting documentation for the statement of financial position (balance sheet). Acceptable means of support include current copies of bank statements (account numbers may be redacted), and/or notarized/official statements of account balances/ownership provided by bank officers (with current contact information). Also include any and all claimed vehicles or land/buildings must also include proof of ownership/registration - vehicle registrations, property titles, purchase agreements, leases, etc.

**You are encouraged to enlist professional financial assistance if you experience difficulty in constructing your statement of financial position. Be advised that failing to provide an acceptable financial statement is sufficient grounds for the denial of your application, as is failure to provide the requested supporting documentation.**
