Request for Information

Question #10 of the application. Your statements contained in your data request reply confirmed your proposed service would fall under the scope of Contract Carrier authority. Submit a Contract Carrier application to include a cover letter referencing your docket number (A-2026-3061089) and this data request. This way the applicant would avoid another fee for the same open docket. PA PUC Contract Carrier of Passenger authority requires the submission of signed contracts or letters of intent including proposed rates with the correct and completed application. Without this process, your application will not proceed.

- Service provided through another state agency such as Medicaid and ODP waiver does not fall under PUC regulations or oversight.

Note: Be advised that additional corrections may not always be requested; therefore, prior to submitting your responses, your consultation with an attorney familiar with Commission regulated Motor Carrier-related proceedings is highly encouraged.
