(c) Recommendation

(a) Application of Consolidated Rail Corporation for approval of the alteration of the at-grade, above-grade and below-grade crossings of its tracks in Perry, Juniata, Mifflin, Huntingdon and Blair Counties.

(b) The application was filed June 7, 1984 by Consolidated Rail Corporation and was approved by Commission order entered April 24, 1985. No exceptions were filed by any party in interest, and by letters dated June 25, 1987 and July 29, 1987, the Commission was advised by the railroad company that all work has been completed.

(c) The Bureau of Safety and Compliance recommends that the case be closed. All work has been completed in a satisfactory manner and has been inspected by a Commission staff engineer. The work was completed in accordance with the terms of the Commission order, and no certification of costs is necessary. It is also recommended that all parties of record be notified of the Commission's action by Secretarial letter.
