**RE: Distribution System Improvement Charge  
Effective April 1, 2026  
M-2026-3061163**

Dear Ms. Klock:

The Bureau of Audits has reviewed PPL Electric Utilities Corporation's proposed Supplement No. 412 to Tariff Electric – Pa. P.U.C. No. 201 and the supporting rate computations submitted on March 18, 2026 to become effective on April 1, 2026.

Based upon staff review, it appears that the proposed Distribution System Improvement Charge (DSIC) rate for the period of April 1, 2026 through June 30, 2026 is consistent with the tariff and, accordingly, is permitted to become effective as filed.

The DSIC is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2026-3061163.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive style with a large, stylized 'M'.

Matthew L. Homsher  
Secretary
