Attorneys for PPL Electric Utilities Corporation

**BEFORE THE
PENNSYLVANIA PUBLIC UTILITY COMMISSION**

Chirag Batra,	:	
	:	
Complainant,	:	
	:	
v.	:	Docket No. C-2026-3060946
	:	
PPL Electric Utilities Corporation,	:	
	:	
Respondent.	:	

**PRELIMINARY OBJECTION OF
PPL ELECTRIC UTILITIES CORPORATION TO
THE COMPLAINT OF CHIRAG BATRA**

TO THE PENNSYLVANIA PUBLIC UTILITY COMMISSION:

AND NOW, comes PPL Electric Utilities Corporation (“PPL Electric” or the “Company”) and hereby files this Preliminary Objection, pursuant to the regulations of the Pennsylvania Public Utility Commission (“Commission”) at 52 Pa. Code §§ 5.91 and 5.101, and respectfully requests that the Commission dismiss the Formal Complaint of Chirag Batra (“Complainant”) in its entirety because the Commission lacks subject matter jurisdiction over the real property claims raised therein. Specifically, the allegations in the Complaint concern only a real property dispute over the placement of a utility pole within a utility right-of-way (“ROW”).

In support thereof, PPL Electric states as follows:

I. BACKGROUND

1. PPL Electric is a “public utility” and an “electric distribution company” as those terms are defined under the Public Utility Code, 66 Pa. C.S. §§ 102 and 2803, subject to the regulatory jurisdiction of the Commission.

2. PPL Electric furnishes electric distribution, transmission, and provider of last resort electric supply services to approximately 1.5 million customers throughout its certificated service territory, which includes all or portions of twenty-nine counties and encompasses approximately 10,000 square miles in eastern and central Pennsylvania.

3. On March 9, 2026, PPL Electric was served with the above-captioned Formal Complaint, which raises real property claims regarding the placement of a utility pole within the Company's existing ROW. (Complaint ¶¶ 4-5.)

4. PPL Electric herein files this Preliminary Objection to the Complaint. For the reasons explained below, PPL Electric respectfully requests that the Complaint be dismissed pursuant to Section 5.101(a)(1) of the Commission's regulations because the Commission lacks subject matter jurisdiction over the real property claims raised in the Complaint. 52 Pa. Code § 5.101(a)(1).

II. STANDARD OF REVIEW

5. Pursuant to the Commission's regulations, preliminary objections in response to a pleading may be filed on several grounds, including:

- (1) Lack of Commission jurisdiction or improper service of the pleading initiating the proceeding.
- (2) Failure of a pleading to conform to this chapter or the inclusion of scandalous or impertinent matter.
- (3) Insufficient specificity of a pleading.
- (4) Legal insufficiency of a pleading.
- (5) Lack of a capacity to sue, nonjoinder of a necessary party or misjoinder of a cause of action.
- (6) Pendency of a prior proceeding or agreement for alternative dispute resolution.

(7) Standing of a party to participate in the proceeding.

52 Pa. Code § 5.101(a)(2) (emphasis added).

6. In ruling on preliminary objections, the Presiding Officer must accept as true all well-pled allegations of material facts as well as all inferences reasonable deducible therefrom. *Stilp v. Commonwealth*, 910 A.2d 775, 781 (Pa. Cmwlth. 2006) (“*Stilp*”) (citing *Dep’t of Gen. Servs. V. Bd. Of Claims*, 881 A.2d 14 (Pa. Cmwlth. 2005)), *affirmed* 974 A.2d 491 (Pa. 2009). However, the Presiding Officer need not accept as true conclusions of law, unwarranted inferences from facts, argumentative allegations, or expressions of opinion. *Stanton-Negley Drug Co. v. Dep’t of Pub. Welfare*, 927 A.2d 671, 673 (Pa. Cmwlth. 2008), *affirmed*, 963 A.2d 670 (Pa. 2009). Notwithstanding, any doubt must be resolved in favor of the non-moving party. *Stilp* at 781.

7. In addition, the Presiding Officer must determine whether, based on the factual pleadings, if recovery is possible. *See Rok v. Flaherty*, 527 A.2d 211, 214 (Pa. Cmwlth. 1987) (citation omitted). Indeed, for preliminary objections to be sustained, it must appear with certainty that the law will permit no recovery. *See Stilp* at 781; *Milliner v. Enck*, 709 A.2d 417, 418 (Pa. Super. 1998) (quoting *Santiago v. Pa. Nat. Mut. Cas. Ins. Co.*, 613 A.2d 1235, 1238 (Pa. Super 1992)).

III. PRELIMINARY OBJECTION

A. PRELIMINARY OBJECTION NO. 1 – THE COMPLAINT SHOULD BE DISMISSED BECAUSE THE COMMISSION LACKS SUBJECT MATTER JURISDICTION OVER THE REAL PROPERTY CLAIMS RAISED THEREIN

8. PPL Electric incorporates by reference Paragraphs 1 through 7 as if fully set forth herein.

9. The Complaint should be dismissed because the Commission lacks subject matter jurisdiction over the real property claims raised therein.

10. As a creature of statute, the Commission “has only those powers which are expressly conferred upon it by the Legislature and those powers which arise by necessary implication.” *Feingold v. Bell*, 383 A.2d 791, 794 (Pa. 1977) (citations omitted).

11. It is well-established that the Commission lacks authority to adjudicate real property rights, as such disputes are within the exclusive jurisdiction of the courts of common pleas. *See, e.g., Stefanoski v. Pa. Am. Water Co.*, Docket No. C-20078219 (Order entered Sept. 22, 2008); *Perrige v. Metro. Edison Co.*, Docket No. C-00004110 (Order entered July 11, 2003); *Lou Amati/Amati Serv. Station v. West Penn Power Co.*, Docket No. C-00945842 (Order entered Oct. 25, 1995); *Shedlosky v. Pa. Elec. Co.*, Docket No. C-20066937 (Order entered May 28, 2008).

12. Here, the Complainant claims that other viable pole placement locations exist in other locations, including on property not owned by the Complainant or by placing the utility wires underground. (Complaint ¶ 4.)

13. As relief, the Complainant requests a review of the proposed pole installation on his property and an investigation by PPL Electric into “reasonable alternatives” that exist for the utility pole’s placement. (Complaint ¶¶ 4-5.)

14. The allegations in the Complaint solely concern the Complainant’s real property rights, and the Complainant seeks relief based on the location of the property boundaries at issue. (Complaint ¶¶ 4-5.)

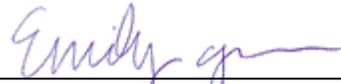

15. However, “[t]he Commission has no jurisdiction to determine what person or entity owns a particular parcel of real property” and “is not the proper forum for resolving property rights controversies.” *Semrau v. PECO Energy Co.*, Docket No. C-2012-2306879, 2012 Pa. PUC LEXIS 1097 at *11, 12 (Initial Decision dated July 3, 2012) *made final without further Commission action* (Order entered Aug. 16, 2012).

16. Thus, because the Complainant solely raises claims related to real property rights and his requested relief is based on the same, the Complaint should be dismissed pursuant to 52 Pa. Code § 5.101(a)(1).

IV. CONCLUSION

WHEREFORE, PPL Electric Utilities Corporation respectfully requests that the Pennsylvania Public Utility Commission grant this Preliminary Objection.

Respectfully submitted,
