RE: Petition filed March 26, 2026

Dear Mr. Foster:

On March 26, 2026, my office received the attached Petition. However, further review of the filing revealed no certificate of service accompanying the Petition.

All Petitions filed under 52 Pa. Code Sections 5.41, or 5.42, or 5.43 must be accompanied by a Certificate of Service showing proof that the Petitioner served a copy of the Petition on the Commission's Bureau of Investigation and Enforcement, the Pennsylvania Office of Consumer Advocate, the Pennsylvania Office of Small Business Advocate and any and all parties affected by the Petition, such as but not limited to, customers, ratepayers, municipalities, or other parties that could be affected by the Petition.

Therefore, to ensure due process, please know that your Petition has been pended and will not be finally accepted by the Commission for consideration until a Certificate of Service showing proof of service in accordance with the Commission's regulations has been filed with the Secretary.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.

Matthew L. Homsher
