Greetings Mr. Matthew Homsher, Secretary of Pennsylvania Public Utility Commission,

On behalf of principal JAIRA WELLS, on the 23rd day of February 2026, a formal complaint was filed with the Public Utility Commission (PUC) regarding Columbia Gas of Pennsylvania, a NiSource Company principal account 214637380010003. Said formal complaint has reference number 2955866, and docket number C-2026-3060619. See attached Exhibit A.

Since the PUC does not have the ability, jurisdiction or authority to aid in the protection of the unalienable rights of principal, JAIRA WELLS, I concur with Emily Farah of NiSource that this case should be dismissed.

However, let the record show that the immediate concern is surrounding due process; that the principal be heard in contract, that the contract be validated regarding principal account 214637380010003. See attached Exhibit B.

Exhibit A displays the formal complaint form filled on the 23rd day of February 2026.

Exhibit B displays the latest correspondence sent to Columbia Gas on behalf of principal JAIRA WELLS. I certify copies of an Affidavit of Certificate of Service, Affidavit of Notice of Dishonor, and the negotiable instrument (worth \$5,302.67) were sent via Registered Mail to the person(s) listed below on January 22nd, 2026 via Registered Mail No. RB 334 056 126 US.

The principal is not being heard in their contract. The company, Columbia Gas, has threatened to terminate essential services scheduled for today, February 23rd 2026. On multiple occasions there have been request for validation of contract and full accounting of principal account. Since September 2024, several documents have been sent via registered and certified mail including power of attorney, claim to interest, and tender of payment. The company's legal department finally responded after nearly a year of silence. However, they still have not given response regarding the request of contract validation.

5. REQUESTED RELIEF

How do you want your complaint to be resolved?

Explain what you want the PUC to order the utility or company to do. If you need additional space, use the space provided on Page 9. Please indicate the number of the question that you are answering.

The sought after relief is that the principal be given due process in accordance with the Truth and Lending Act. That the contract and debt be validated, such that the principal may settle any lawful obligation.

Additionally, upon settling any lawful obligation, that the principal's executed negotiable instrument be recognized as performance to meet an obligation and lawful tender of payment in accordance with the Bills of Exchange Act; such that the principal does not continue to face harm in contract and be deprived of unalienable rights.

Note: The PUC can decide that a customer was not billed correctly and can order billing refunds. The PUC can also fine a utility or company for not following rules and can order a utility or company to correct a problem with your service. Under state law, the PUC cannot decide whether a utility or company should pay customers for loss or damages. Damage claims may be sought in an appropriate civil court.

6. PROTECTION FROM ABUSE (PFA)/DOMESTIC VIOLENCE

Has a court granted you a PFA order or any other order which provides clear evidence of domestic violence against you that is currently in effect for your personal safety or welfare? The PUC needs this information to properly process your complaint so that your identity is not made public.

Has a court granted a PFA order or any other order for your personal safety or welfare?

Yes If your answer is "yes," attach a copy of the current PFA order to this Formal Complaint form. *Due to the confidential nature of the PFA, you cannot eFile your Formal Complaint. You will need to print out this form and mail it to the Secretary of the Commission.*

No

Note: You **MUST** answer this question if your complaint is against a natural gas distribution utility, an electric distribution utility or a water distribution utility AND your complaint is about a problem involving billing, a request to receive service, a security deposit request, termination of service or a request for a payment agreement.

7. PRIOR UTILITY CONTACT

a. Is this an appeal from a decision of the PUC's Bureau of Consumer Services (BCS)?

Yes

No

Note: If you answered yes, move to Section 8. No further contact with the utility or company is required. If you answered no, answer the question in Section 7 b. and answer the question in Section 7 c. if relevant.

b. If this is not an appeal from a BCS decision, have you spoken to a utility or company representative about this complaint?

Yes

No

Note: You **MUST** contact the utility first if (1) you are a residential customer, (2) your complaint is against a natural gas distribution utility, an electric distribution utility or a water or wastewater utility AND (3) your complaint is about a billing problem, a service problem, a termination of service problem, or a request for a payment agreement.

c. If you tried to speak to a utility company representative about your complaint but were not able to do so, please explain why. If you need additional space, use the space provided on Page 9. Please indicate the number of the question that you are answering."

As previously stated, there have been several attempts to contact Columbia Gas. All of which were executed via registered or certified mail. However, the company failed to respond and when they did, they did not respond to the principal's request in its entirety. The PUC was contacted regarding said matter, an informal complaint was made via BCS investigation case 4109944, however, the investigator said they had to dismiss the case due to lack of jurisdiction and recommended that the matter be escalated to a formal complaint.

Note: Even if you are not required to contact the utility or company, you should always try to speak to a utility or company representative about your problem before you file a Formal Complaint with the PUC.

Affidavit of Notice of Dishonor

Greetings Mark Kempic D/B/A President and Chief Operating Officer, and Legal Notice Department of Columbia Gas of Pennsylvania,

I am Wells, Jaira, here as the natural woman on behalf of the principal/consumer, JAIRA WELLS to enforce unalienable rights as the account holder of principal account 214637380010003.

For awareness purposes, I've asked the Pennsylvania Public Utility Commission to assist with investigating the claims regarding said principal account. The investigation case number is 4109944. I felt this was necessary as Columbia Gas continued to threaten termination of services though I've sent several documents regarding the principal account, requesting contract validation and submitting tender of payments and there was only *one* reply nearly a year later. As of December 23, 2025, said principal account is in legal limbo.

Regarding the *one* reply from Columbia Gas, Columbia Gas refused my simple contract. In response to this refusal, since I did not agree with it I challenged it, stating the following:

According to UCC § 3-603 and the constitution, if a simple contract is refused, there is still discharge.

According to UCC § 3-305, I have the right to challenge and defend against claims believed to not be enforceable or if I believe that there is no valid contract.

According to 15 U.S.C § 1692g, I have the right to demand that the debt and contract be validated.

To be perfectly clear, **this is not a refusal to pay, this is conditional acceptance.** I'm willing to settle any lawful obligation upon validation of claim and full accounting under GAAP.

To validate the debt and contract, I request that Columbia Gas provide the principal with the following:

1. A fully itemized accounting
2. Proof of contract with wet ink signatures of both parties
3. Proof that Columbia Gas paid for the gas or advanced consideration
4. A CUSIP of the billing bond reference

It's been over 30 days since the conditional acceptance and tender of payment were delivered on 12/22/2025 via certified mail number 7022 3330 0000 0351 7338, and Columbia Gas failed to respond yet again. Hence, this notice of dishonor (per UCC § 3-505).

The above-mentioned conditional acceptance still stands. I request a response within 30 days from the date this notice is received.

See the included simple contract and performance to meet an obligation, a tender of payment, a negotiable instrument which shall be honored in accordance with the Bills of Exchange Act 1882 (a supplement to the UCC per UCC § 1-103), UCC § 3-104, and UCC § 3-603. As the agent in fact here on behalf of the principal, I hereby claim and accept all equitable titles, rights, and interest owed to the principal JAIRA WELLS; I transfer all titles, rights, interest, and equity owed to the principal, to the principal account for set off. I hereby instruct President and Chief Operating Officer, and Legal Notice Department of Columbia Gas of Pennsylvania, to see that this conditional acceptance and tender of payment are first lawfully processed and then forwarded to the applicable Columbia Gas department/personnel (i.e. indentured trustee or the like), such that the principal balance is applied to principal account for set off. Furthermore, I hereby instruct President and Chief Operating Officer, and Legal Notice Department of Columbia Gas of Pennsylvania, if there is any discrepancy that impedes business/services (as instructed) immediately upon assessment thereof to communicate with the agent in fact, via the post office registered or certified mail or via email noted on principal account.
