MASTER DOCUMENT: PETITION TO INTERVENE (REVISED)

BEFORE THE PENNSYLVANIA PUBLIC UTILITY COMMISSION

Joint Application of American Water Works Company, Inc., Essential Utilities, Inc., et al.

DOCKET NO. A-2025-3058927

PETITION TO INTERVENE OF LUIS FRANCISCO

Pursuant to 52 Pa. Code §§ 5.71-5.76, Petitioner Luis Francisco hereby files this Petition to Intervene:

1. Petitioner Information:

Luis Francisco, 737 N. Lacrosse St., Allentown, PA 18109. Email: providence1133@gmail.com

2. Standing and Non-Adversarial Intent:

Petitioner is a primary bondholder under the **Mortgage of 1941 (Exhibit**

4.1.17) and Supplement No. 63 (May 2025). Petitioner clarifies that his intent is **not to obstruct or block** the proposed \$63 Billion Change of Control. Rather, Petitioner seeks to ensure that the unreported debt obligations identified in the 1941 Indenture are legally validated and addressed as part of the financial restructuring of the resulting entity.

3. Demand for Forensic Audit and Conversion:

Petitioner demands a full **Forensic Audit** of the 63 Supplements to verify the total outstanding liability. Following validation, Petitioner proposes a **Settlement via Conversion**: the exchange of validated bond debt into **Preferred Shares** of the surviving corporation. These shares must carry:

- **Fixed Dividends** for perpetual family maintenance.
- **Full Voting Rights** to protect Petitioner's interest in corporate governance.

4. Request for Relief:

Petitioner requests that the Commission grant intervention and facilitate a stay for the specific purpose of allowing the Applicants to engage in a validation process and a debt-for-equity conversion agreement, ensuring the transaction proceeds with clean financial records.

Respectfully submitted,

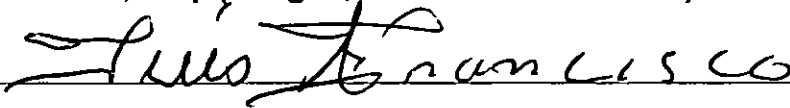

Luis Francisco

Date: March 12, 2026
