**RE: Distribution System Improvement Charge
Effective April 1, 2026
M-2026-3061230**

Dear Ms. Savage:

The Bureau of Audits has reviewed FirstEnergy Pennsylvania Electric Company's proposed Supplement No. 35 to Tariff Electric – Pa. P.U.C. No. 1 submitted on March 20, 2026, and revised on March 31, 2026, to become effective on April 1, 2026.

Based upon staff review, it appears that the proposed Distribution System Improvement Charge (DSIC) rates for the three-month period of April 1, 2026 through June 30, 2026 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The DSIC is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2026-3061230.

Sincerely,
