RE: Act 127 Registration Pipeline Name Change

Dear Ms. Drury:

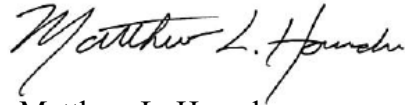

By letter dated March 30, 2026, Chesapeake Operating LLC informed the Pennsylvania Public Utility Commission (Commission) that it had merged with Southwestern Energy Company. Chesapeake Operating LLC, an Act 127 registrant, also stated that it changed its name to Expand Energy Corporation. Expand Energy Corporation stated that its EIN No. is not changing because of the merger or the name change.

Therefore, the Commission approves, by this Secretarial Letter, the change of Chesapeake Operating LLC's name to Expand Energy Corporation in its Pipeline Registry. The Commission reminds Expand Energy Corporation that if it were to acquire any jurisdictional assets under any other name in the future, it must file an Initial Registration Form with the Commission in order to comply with the mandates of Act 127.

The Secretary's Bureau and the Bureau of Administration, Financial and Assessments will update the company's name in their computer systems and lists, as appropriate, to be Expand Energy Corporation.

Please direct any questions to Jeff McCracken, Financial Analyst, Bureau of Technical Utility Services at jmccracken@pa.gov (preferred) or (717) 783-6163.

Sincerely,

A handwritten signature in black ink that reads "Matthew L. Homsher". The signature is written in a cursive style with a large initial "M".

Secretary
