RE: UGI Financial Security Requirements

Dear Ms. Jalbert,

UGI Utilities, Inc.–Gas Division (hereinafter “UGIU”) has reviewed the application of Spark Energy Gas, LLC (hereinafter “Spark Energy”) for approval to operate as a Natural Gas Supplier. Based on this initial review, Spark Energy must post security as specified in the UGIU Supplier Coordination Tariff before it serves customers on the UGIU distribution systems. Such security forms and amounts can be found in Section 8 of UGIU’s Gas Choice Tariff No. 7S at <https://ugi.outsystemsenterprise.com/UGITariff FO/Tariffs>. Once such security is posted with UGIU, Spark Energy will have demonstrated adequate creditworthiness to UGIU in order to operate as a Natural Gas Supplier on the UGIU distribution system.

This determination may change in the event there is a material deterioration in Spark Energy’s financial condition, if Spark Energy’s obligations to UGIU exceed the amount of the financial security provided, if the financial security is withdrawn or is deemed to be null and void or inadequate due to the material financial deterioration of any guarantor, or if Spark Energy fails to abide by the terms and conditions of the UGIU Gas Tariff and the UGIU Natural Gas Supplier Coordination Tariff.

Please feel free to contact me with any additional questions you may have.

Sincerely,

Sherry Epler
