Request for Information

- 1.) Before your application can be processed further, you are required to provide an acceptable description of the proposed service area. Your request should be limited to a scope which can be supported by your present resources and financial position. As your business grows, additional territories and rights may be applied for. Applicants who request service areas beyond the scope of their resources risk the outright denial of their application, or possible Commission dictated revisions to their original request.

Your proposed service area must be fully bound and discernible. Terms such as “nearby counties” are not suitable specific. The use of municipal boundaries, roads, railroads, or natural boundaries such as rivers and streams, etc., are generally specific enough.

Example:

- a. Between points in Pennsylvania
- b. Between points in the counties of X, Y and Z
- c. From points between the counties of X, Y and Z, to points in Pennsylvania and return,
- d. From points in the counties of X, Y and Z, to points in the counties of A, B and C, and return

2.) In response to question #5 of the Verified Statement of the Applicant: when asked to provide a plan you are expected to provide a **PLAN which is fully responsive to each portion of the question** and ensure that the plan satisfies the requirements of 52 Pa. Code. You may hire a third party to execute the actual check (even if you are the only driver) but, you as the applicant, are expected to establish a policy which complies with the governing laws and regulations. You are also expected to provide this Commission with written evidence of said plan/ policies.

a. In reference to question #5, You are specifically advised to review the requirements of the following chapters of 52 PA Code **and to submit evidence of compliant plan for drivers which completely addresses the following:**

- i. How often will driver's license checks be conducted as required by 52 Pa. Code §37.204 49 CFR §391.25 – Driver history (schedule and retention) and how long will these records be retained?
  
- ii. How often will criminal background checks be conducted as required by 52 Pa. Code §31.134 49 CFR §382.301 – Criminal history (schedule and retention) and how long will these records be maintained?
  
- iii. How often will drug and alcohol testing be conducted as required by 52 Pa. Code §37.204 and how long will these records be maintained 49 CFR §382.401? Please provide a copy of your policy regarding drug and alcohol testing.

- 3.) Question #6 of the applicant's verified statement requests that you address multiple issues. Please review the question once again and provide a detailed response that addresses each facet of the question.

**Failure to provide answers to all of the questions is sufficient grounds for the denial of your application so please get assistance or you may hire an attorney to aid you in the application process.**
