RE: Monroe Energy, LLC, Lucknow-Highspire Terminals, LLC, Sheetz, Inc.,
and PBF Holding Company LLC v. Laurel Pipe Line Company, L.P, Docket
No. C-2025-3053018

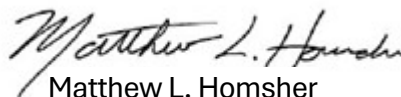

Dear Parties:

On January 14, 2026, the Commission entered an Initial Decision in the above-referenced matter. Numerous parties have filed exceptions and reply exceptions to the Initial Decision. Because exceptions and reply exceptions have been filed, this matter is still currently pending before the Commission.

On April 2, 2026, the Commission received a letter from State Senator John I. Kane. Senator Kane's letter was addressed to Commission Chairman, Stephen DeFrank, and carbon copied to the remaining Commissioners and the undersigned as the Secretary of the Commission. Senator Kane's letter contains statements and additional averments regarding the issues litigated and the Initial Decision issued in the above-referenced case.

Because the subject matter of Senator Kane's letter concerns the merits of a contested matter still pending before the Commission for final consideration, Senator Kane's letter constitutes an ex parte communication prohibited by Section 334(c) of the Pennsylvania Public Utility Code, 66 Pa.C.S. § 334(c). Accordingly, please be advised that, in order to cure the ex parte communication, I am placing Senator Kane's Letter on the docket and serving a copy of this Secretarial Letter and Senator Kane's letter on all the Parties of Record to this case.

Sincerely,

Matthew L. Homsher
Secretary
