RE: Application of the Pennsylvania Department of Transportation for approval to alter the public crossing (DOT No. 978948W) by removal and replacement of the existing bridge where West College Avenue crosses, above grade, the tracks of York Railway Company located in City of York, York County, and the allocation of costs incident thereto.

Docket No.: A-2023-3038202

Dear Secretary Homsher,

Appropriation of railroad right of way was requested for the above-referenced case. The final right of way plans were filed on October 27, 2025. The parties have since settled the acquisition of right of way amicably. The County, therefore, desires to withdraw its request for appropriation. York Railway Company is in concurrence with this request. Please let me know if you need anything further.

I hereby certify that a copy has been sent to all parties of record as indicated by the Certificate of Service.

Sincerely,

James D. Runshaw
Executive Director of Facilities
