**UNOPPOSED MOTION OF UGI UTILITIES, INC. – GAS DIVISION FOR
EXTENSION OF TIME TO FILE RESPONSIVE PLEADINGS**

Pursuant to 52 Pa. Code § 1.15(a)(1), UGI Utilities, Inc. – Gas Division (“UGI Gas” or the “Company”), by its counsel, hereby requests that the Pennsylvania Public Utility Commission (“Commission”) extend the current due date to file responsive pleadings to the above-captioned Formal Complaint of the Commission’s Bureau of Investigation and Enforcement (“I&E”) by thirty (30) days (e.g., from April 7, 2026 to May 7, 2026). In support thereof, UGI Gas represents as follows:

1. On March 18, 2026, UGI Gas was served with the above-captioned Formal Complaint. Under the Commission’s regulations, any UGI Gas responsive pleadings (e.g., Answer or Preliminary Objections) to the Formal Complaint would be due on April 7, 2026.
2. The Formal Complaint arises from an incident that occurred on March 24, 2023, at the R.M. Palmer Company in West Reading, Pennsylvania.
3. In order to prepare any responsive pleadings, UGI Gas must evaluate and address over 200 paragraphs (not including sub-paragraphs) of allegations contained in the Formal

Complaint. In addition, counsel for UGI Gas has a number of conflicting deadlines and required appearances between the date the Formal Complaint was served and the date such responsive pleadings would be due.

4. Counsel for UGI Gas contacted counsel for I&E to determine whether I&E would object to an extension of time to file responsive pleadings to the Formal Complaint. Counsel for I&E indicated that I&E does not oppose a thirty (30) day extension, which would make UGI Gas's Answer to the Formal Complaint due on May 7, 2026.

5. Section 1.15(a)(1) of the Commission's regulations states:

...whenever under this title or by order of the Commission, or notice given thereunder, an act is required or allowed to be done at or within a specified time, the time fixed or the period of time prescribed may, by the Commission, the presiding officer or other authorized person, for good cause be extended upon motion made before expiration of the period originally prescribed or as previously extended.

52 Pa. Code § 1.15(a)(1). As such, the Commission, the presiding officer or other authorized person, may grant a request for an extension of time, prior to the originally prescribed deadline, upon a showing of "good cause."

6. Good cause for the requested extension exists because it will provide UGI Gas with additional, necessary time to respond to the Formal Complaint. It will also avoid certain conflicts for UGI Gas's counsel. In addition, this Motion is UGI Gas's first request for an extension of time in this matter, the request will not unnecessarily delay this matter, and UGI Gas's request is not opposed by I&E.

7. For these reasons, UGI Gas submits good cause exists for the requested thirty-day extension and that it will help secure the just, speedy and efficient determination of the above-captioned matter.

WHEREFORE, for all the foregoing reasons, UGI Utilities, Inc. – Gas Division requests that Pennsylvania Public Utility Commission, the Presiding Officer or another authorized person grant this Motion and extend the time for UGI Utilities, Inc. – Gas Division to file any responsive pleadings to the above-captioned Formal Complaint until May 7, 2026.

Respectfully submitted,
