**PUBLIC STATEMENT OF
THE OFFICE OF SMALL BUSINESS ADVOCATE**

The Small Business Advocate is authorized and directed to represent the interest of small business consumers of utility services in Pennsylvania under the provisions of the Small Business Advocate Act, Act 181 of 1988, 73 P.S. §§ 399.41 - 399.50 (the “Act”). The Act further provides that the Small Business Advocate is to issue publicly a written statement stating concisely the specific interest of small business consumers to be protected by her initiation of or intervention in any proceeding involving those interests before the Public Utility Commission or any other agency or court. This public statement relates to the filing today by the Small Business Advocate of a Notice of Intervention (“NOI”) in the Pike County Light & Power Company’s Petition to Modify Default Service Procurement Source and Request for Expedited Approval (“Petition”) that was filed with the Pennsylvania Public Utility Commission (“Commission”) on January 30, 2026.

The Small Business Advocate files this NOI to protect the interests of Pike’s small business customers that could be affected by the request set forth in the Petition.

The Small Business Advocate will participate in proceedings before the Public Utility Commission to investigate the reasonableness of proposals set forth in the Petition. The Small Business Advocate will ask the Commission to deny any aspect of the Petition that is not proven to be lawful, just, reasonable, and non-discriminatory.
