

****Re: Docket No. A-2026-3061268**

Natural Gas Supplier License Application – Section 8.e Resubmission**

Pennsylvania Public Utility Commission
400 North Street
Harrisburg, PA 17120

Greetings,

This cover letter is submitted on behalf of Meter Energy Technologies LLC in response to the Pennsylvania Public Utility Commission's March 26, 2026 deficiency letter.

As identified by the Commission, Section 8.e of the Natural Gas Supplier License Application required submission of a detailed professional resume with applicable date ranges. In response, Meter Energy Technologies LLC hereby submits the complete professional resume of Mr. Mikel J. Cammisa, Principal, which includes detailed employment history and corresponding date ranges, as requested.

The attached resume is intended to fully satisfy the Section 8.e requirement and to correct the sole deficiency noted by the Commission. No other portions of the Application have been revised or modified as part of this resubmission.

This filing is respectfully submitted for acceptance into the record and continuation of the Commission's review of the Application under Docket No. A-2026-3061268. Please associate this cover letter with the resubmitted materials in the Commission's eFiling system.

Should the Commission require any additional information or clarification, please do not hesitate to contact me.

Respectfully submitted,

Ted Ritsick

RE: Natural Gas Supplier License Application

Dear Mr. Cammisa:

On March 16, 2026, the Pennsylvania Public Utility Commission (Commission) received Meter Energy Technologies LLC's incomplete Application for a Natural Gas Supplier (NGS) license.

Section 8.e of the Application was incomplete or not properly completed (missing a detailed professional resume with date ranges). In order for the Commission to accept the Application for review, these deficiencies must be corrected. Failure to respond timely will result in the Application being deemed rejected¹ and the docket will be closed.

Please use the Commission's efilng system or an overnight delivery service to submit the requested information to the Secretary of the Commission **within 20 days** from the date of this letter. Please submit revised Application pages for each section. The Commission accepts all public documents through our efilng system and **strongly** recommends companies open an efilng account through the Commission's website at <https://efiling.puc.pa.gov>. Use of the efilng system will ensure that submissions by the company are received timely and receipt can be verified.

The overnight address for hard-copy or confidential responses is:

Matthew L. Homsher, Secretary
Pennsylvania Public Utility Commission
400 North Street
Harrisburg, PA 17120

¹ See Pa. Code 52 § 62.103(d)

Please note that all documents requiring notary stamps must have original signatures.

If Meter Energy Technologies LLC decides to withdraw its Application, please reply notifying the Commission of such a decision.

Finally, if any problems arise that prevent a full timely response or if any clarification of this letter is required, please contact Stephen Jakab of the Commission's Bureau of Technical Utility Services via e-mail at sjakab@pa.gov.

Sincerely,

Matthew L. Homsher
Secretary
