Re: Application of David J Conroy, t/a Carriage Concierge Transportation Services for a Transportation Network Company license, 11511 Tamarack Road, Waterford, Erie County, Pennsylvania 16441. (814) 602-7993

To whom it may concern:

The purpose of this Letter is to advise you that your application at Docket No. A-2026-3061159 has been **DENIED** by the Pennsylvania Public Utility Commission (Commission). The Commission has determined that a Certificate of Public Convenience shall not be granted for the following reason(s):

- **Failure to maintain a digital network;** An applicant seeking a license for Transportation Network Service must maintain a digital network (such as a mobile app or website) to facilitate prearranged rides. The applicant provided no evidence that it maintains a digital network for the facilitation of prearranged rides.
- **Failure to provide an official company website;** An applicant seeking a license for Transportation Network Service must maintain a publicly accessible Internet website, as per 66 C.S. § 2604. The applicant's provided website was a link to their Facebook page. It is the Commission's determination that their website is a social media channel, and not an official company-maintained online domain.
- **Failure to comply with 66 C.S. § 2604.1(a)(6);** An applicant must provide proof that the transportation network company meets all the requirements of subsection (b). Applicant failed to provide proof that they have acceptable policies/plans that meet all the requirements found in **66 C.S. § 2604.1(b)**.
- **Failure to provide evidence of applicant's financial fitness;** The financial data provided failed to identify the account holder. Therefore, the information is deemed unacceptable and no other evidence was provided to prove the applicant's financial position.

For this reason(s), your application is **DENIED** and **DISMISSED**.
