COMPLAINANT'S MOTION FOR CONTINUANCE

The Honorable Emily Farren
Administrative Law Judge
Pennsylvania Public Utility Commission

Complainant Tony Gardner, on behalf of K Fish Comestible LLC, respectfully moves for a continuance to obtain legal counsel before this case proceeds to formal hearing.

The Complainant has been actively seeking an attorney experienced in utility matters before the PUC. He has contacted multiple law firms, state agencies, and referral services. These efforts are ongoing but the Complainant has not yet secured representation.

PECO's counsel has indicated that PECO objects to a continuance.

The Complainant respectfully requests a continuance of no less than 30 days from any scheduling order to retain counsel.

Respectfully submitted,

Tony Gardner
