RE: Bond Cancellation Notice
American PowerNetManagement, LP
A-110173

Dear Ms. Salinas:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of American PowerNetManagement, LP because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The enclosed financial instrument does not comply with the terms of the bond. A bond cannot be retroactively cancelled. The Commission must receive at least 60 days' advance notice of cancellation.

Please file the corrected, originally signed and sealed security instrument with my office within 20 days of the date of this letter, preferably by overnight delivery

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.

Matthew L. Homsher
Secretary
