RE: Bond
AvidXchange Inc
A-2016-2565716

Dear Ms. Costner:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of AvidXchange Inc because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code, including naming the Pennsylvania Public Utility Commission as the beneficiary or obligee of the security instrument along with all other required information on the document.

Bond is filed on an incorrect template. All financial instruments must be filed using one of the templates provided on the Commission's website. By Final Order entered April 2, 2026, at Docket Number M-2026-3059584, the Pennsylvania Public Utility Commission cancelled the company's PUC license, and notified the company that it is no longer authorized to operate as an electric generation supplier in the Commonwealth of Pennsylvania. Therefore, the surety bond is no longer necessary to be in effect. A bond conforming to the Commission's template should be filed only if the company intends to submit a new EGS application.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.

Matthew L. Homsher
Secretary
