RE: Electric Load Forecast Accountability at Docket No. M-2025-3058814

Attorney McHugh:

On March 3, 2026, FirstEnergy Pennsylvania Electric Company (FE PA) filed a response to the Pennsylvania Public Utility Commission's (Commission's) Data Request Set 1 at Docket No. M-2025-3052814. For the Commission to continue its review of FE PA's response to Data Request Set 1, please respond with the information requested in Attachment 1.

Please provide your response to the Secretary of the Commission at the address listed below **within ten (10) days** from the date of this letter. All documents requiring notary stamps must have original signatures. The Commission strongly encourages submission through eFiling with the Secretary of the Commission by opening an eFiling account through the Commission website and accepting eservice at <https://efiling.puc.pa.gov>. The Commission is accepting all public documents through our eFiling system at this time.

If your filing contains confidential material, you are required to either file by overnight delivery or submit it to the Secretary's Share Point File system to ensure the timely filing of your submission. Filers should contact the Secretary's Bureau in advance to gain access to the Share Point File system. Make sure to reference the Docket Number listed above when filing your response. The overnight address for hard-copy or confidential responses is:

Matthew L. Homsher, Secretary
Pennsylvania Public Utility Commission
400 North Street
Harrisburg, PA 17120

Your answers should be verified per 52 Pa Code § 1.36. Accordingly, you must provide the following statement with your responses:

I, _____, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa. C.S. § 4904 (relating to unsworn falsification to authorities).

The blank should be filled in with the name of the appropriate company representative, and the signature of that representative should follow the statement.

Please contact the staff below if any problems should arise that prevent a full response within ten (10) days or if any clarification of these data requests is needed. Please mark the materials "CONFIDENTIAL" in bold or highlighted manner if any of the requested information is deemed to be of a confidential nature. Any information submitted as confidential security information, as defined in 52 Pa. Code § 102.2, must be filed pursuant to the process outlined at 52 Pa. Code § 102.3.

If you have any questions on this matter, please contact Clinton McKinley in the Bureau of Technical Utility Services, at cmckinley@pa.gov, or (717) 783-6161.

Sincerely,

Matthew L. Homsher
Secretary

TUS Data Request Set 2
Electric Load Forecast Accountability
M-2025-3058814

Note: Please restate the data request prior to providing a response. In addition, provide the name and title of the person(s) providing the response and/or information for each data request.

- M-4. In response to M-1, of the Commission’s Data Request Set 1, FE PA provided a copy of the large load adjustment submitted to PJM Interconnection, LLC (PJM) as Staff M-1 Attachment B. Starting on Page 6 of Staff M-1 Attachment B, FE PA uses a “Customer #”. Please explain how these customer numbers are assigned, if the customer numbers remain with the customer until connection, and if the customer numbers are ever recycled to a new customer.
- M-5. In response to M-3 of TUS Data Request Set 1, FE PA provided working electronic copies of the requested worksheets. Please provide supplemental working electronic copies in Excel of the following worksheets for each FE PA rate district:
- i. 20-year Demand Forecast;
 - ii. 20-year Peak Load Forecast; and
 - iii. Large Load Customer Listing.
- M-6. FE PA’s response to M-3 of TUS Data Request Set 1 was filed as confidential. Please provide a redacted public version of FE PA’s response to M-3.
