TO ALL PARTIES OF RECORD

Application of Gigapower, LLC for approval to alter the public crossing (DOT 249 615 J) by the installation of an aerial fiber optic cable where Delaware Street crosses, below grade, a single track of Pennsylvania Northeast Regional Railroad Authority, operated thereon by Delaware-Lackawanna Railroad Co., Inc. located in Jermyn Borough, Lackawanna County.

To Whom It May Concern:

By application received by the Commission on February 4, 2026, and amended February 12, 2026, Gigapower, LLC seeks Commission approval to alter the public crossing (DOT 249 615 J) by the installation of an aerial fiber optic cable where Delaware Street crosses, below grade, a single track of Pennsylvania Northeast Regional Railroad Authority, operated thereon by Delaware-Lackawanna Railroad Co., Inc. located in Jermyn Borough, Lackawanna County.

The new aerial fiber optic cable will be attached to existing utility poles and cross below the bridge supporting Pennsylvania Northeast Regional Railroad Authority's tracks within the joint right-of-way of Delaware Street. The new aerial fiber optic cable will not be attached to Pennsylvania Northeast Regional Railroad Authority's structure.

The Commission hereby establishes its jurisdictional limits at the subject crossing as the area within the confines of the railroad right-of-way and the highway right-of-way.

In its application, Gigapower, LLC states that the proposed installation is necessary to provide the residence of the Jermyn Borough with access to high quality fiber internet. Gigapower, LLC will be directed to perform the necessary installation, provide for maintenance and protection of highway and pedestrian traffic during installation and accept future maintenance responsibility for the new facilities, at its sole cost and expense. The cost of the project is anticipated to be approximately \$10,000.

All work is to be performed in accordance with the plans entitled "EXHIBIT A," consisting of nine (9) sheets submitted to the Commission with the amended application.

Gigapower, LLC served a copy of the application and plans on Jermyn Borough, Pennsylvania Northeast Regional Railroad Authority, Delaware-Lackawanna Railroad Co., Inc., the Pennsylvania Department of Transportation, PPL, Verizon Pennsylvania, Inc., North Penn Long Distance Corp., Comcast, ION Holdco LLC, Teleport Communications America LLC, CTSI LLC, Zito Media, and XO Communications, Inc. All parties of record, with the addition of Lackawanna County, were queried by letter dated February 5, 2026, sent via email as to any objection to the subject application and plans. None of the parties have responded with any objection to the subject amended application or plans. Lackawanna County will be made a party to the subject proceeding since they were not served a copy of the application by Gigapower, LLC.

The Commission has exclusive jurisdiction in crossing alterations and is the final arbiter of any fees associated with a crossing application. Any conditions, including fees associated with a crossing application, must be approved by the Commission.

Upon full consideration of the matters involved, we find that a hearing is not necessary and that a Secretarial Letter may be issued approving the application.
