**Re: Letter of Notification of Mid-Atlantic Interstate Transmission, LLC, For Approval of the 115 kV Transmission Line Relocations to Mountain Substation Project in South Middleton Township, Cumberland County, Pennsylvania  
Docket No. A-2026-3060793**

---

Dear Secretary Homsher:

Enclosed please find the responses of Mid-Atlantic Interstate Transmission, LLC (“MAIT”) to the Data Requests issued by the Bureau of Technical Utility Services (“TUS”), on April 9, 2026, in the above-referenced matter.

MAIT notes that because the responses to these data requests include **CONFIDENTIAL** and **PROPRIETARY** information, they are being filed separately with the Commission via ShareFile.

**REQUEST FOR CONFIDENTIAL TREATMENT OF PROPRIETARY INFORMATION**

Responses A-18 and A-19 are marked “**CONFIDENTIAL**” because they contain commercially sensitive information. MAIT requests that copies of the materials that have been labeled “**CONFIDENTIAL**” be given confidential treatment by the Commission, including its various offices and bureaus. That is, MAIT requests that the confidential materials be excluded from the Commission’s public document folder and that the confidential copies not be disclosed to the public.

If there are any questions concerning this matter, please contact me at the address or telephone number provided above.
