Re: Electric Generation Supplier License of Six One Energy Corporation

Dear Mr. Conway:

On February 12, 2026, Tomorrow Energy Corp (Tomorrow Energy) filed a request with the Pennsylvania Public Utility Commission (Commission) to change the name on its license to provide electric generation services, as a supplier, to Six One Energy Corporation (Six One Energy).

Currently, Tomorrow Energy is licensed as Tomorrow Energy Corp as a supplier to residential, small commercial (25 kW and under demand), large commercial (over 25 kW demand), industrial, and governmental customers in all of the electric distribution company service territories throughout the Commonwealth of Pennsylvania.

Six One Energy has provided the proper Pennsylvania Department of State documentation and has provided proof of service to the interested parties as required by the Commission. Furthermore, Six One Energy has provided an update to its financial security instrument reflecting its new name.

Therefore, the Commission approves, by this Secretarial Letter, the change of Tomorrow Energy Corp's name on its license for the provision of electric generation services as a supplier.

The Secretary's Bureau will issue a new license to Six One Energy Corporation the right to begin to offer, render, furnish, or supply electric generation services as a supplier to residential, small commercial (25 kW and under demand), large commercial (over 25 kW demand), industrial, and governmental customers in all of the electric distribution company service territories throughout the Commonwealth of Pennsylvania.

The Secretary's Bureau will update the company's name in its computer system and lists, as appropriate, to be Six One Energy Corporation.

If you have any questions in this matter, please contact Jeff McCracken of the Bureau of Technical Utility Services at jmccracken@pa.gov or 717-783-6163.

Sincerely,

A handwritten signature in black ink that reads "Matthew L. Homsher". The signature is written in a cursive style with a large initial "M".
