RE: ELECTRIC LOAD FORECAST ACCOUNTABILITY

Dear Ms. Baxter:

On January 29, 2026, Duquesne Light Company (DLC) filed a response (DLC Response) to the Pennsylvania Public Utility Commission's (Commission's) data request at Docket No. M-2025-3058814. The DLC Response was filed as confidential and treated as such. Pursuant to Commission regulations at 52 Pa. Code § 1.32(b)(4), a redacted, public version of confidential filings shall be filed in paper form or on a CD-ROM or DVD. The Commission will post redacted, public versions on the electronic filing system.

For the Commission to use the non-confidential information included in the DLC Response, a non-confidential version of the DLC Response must be filed with the Commission. As such, please file a redacted, public version of DLC's February 20, 2026, response to the Commission's data request at Docket No. M-2025-3058814 within ten (10) days of the date of this letter. We note that the Commission is now accepting all non-confidential filings through its efilings system.

If you have any questions on this matter, please contact Clinton McKinley in the Bureau of Technical Utility Services, at [cmckinley@pa.gov](mailto:cmckinley@pa.gov), or (717) 783-6161.

Sincerely,

Matthew L. Homsher
