Re: Joint Petition of Metropolitan Edison Company, Pennsylvania Electric Company, Pennsylvania Power Company and West Penn Power Company for Consolidation of Proceedings and Approval of Act 129 Phase IV Energy Efficiency and Conservation Docket Nos. M-2020-3020820, M-2020-3020821, M-2020-3020822, and M-2020-3020823

Dear Secretary Homsher:

Enclosed for filing is the executed **CONFIDENTIAL** Amendment to the Statement of Work to the Master Service Agreement for Professional or Consulting Services between FirstEnergy Pennsylvania Electric Company on behalf of the Met-Ed, Penelec, Penn Power, and West Penn Power Rate Districts¹ (“FE PA” or “Company”) and CLEAResult Consulting Inc. (Amendment”). The Amendment specifically applies to the Statement of Work for Marketing, Outreach and Technical Program Services for FE PA’s Act 129 Phase IV Commercial & Industrial Energy Solutions for Business Programs and Energy Management Programs (“Statement of Work”). Also included is a **CONFIDENTIAL** copy of the underlying Statement of Work.

Included is a **CONFIDENTIAL** copy of the Company’s cover sheet summarizing the aspects of the contract as required by the Pennsylvania Public Utility Commission’s (“Commission”) Phase IV Implementation Order.²

The enclosures are marked **CONFIDENTIAL** because they contain competitively sensitive information, including, but not limited to, details about the bids received for the services to be provided under the CSP contract as well as the Company’s evaluation of such bids.

¹ On January 1, 2024, FirstEnergy Corp.'s Pennsylvania operating companies (i.e., Metropolitan Edison Company, Pennsylvania Electric Company, Pennsylvania Power Company, and West Penn Power Company) merged into FirstEnergy Pennsylvania Electric Company. Due to the merger transaction, FE PA became successor in interest to all matters previously belonging to the individual Pennsylvania operating companies. As such, the customers of the former Pennsylvania Electric Company have their own separate and distinct rate district under FirstEnergy Pennsylvania Electric Company’s tariff.

² *Energy Efficiency and Conservation Program*, Docket No. M-2020-3015228, at 114-117 (Order entered June 18, 2020).

Therefore, the Company respectfully requests that the Commission afford the enclosures proprietary treatment and place them in a non-public folder.

Further, the Company notes that the enclosed **CONFIDENTIAL** Amendment will only be effective upon Commission approval.

FE PA respectfully requests that the Commission approve the enclosed **CONFIDENTIAL** Amendment through an expedited review process, thus allowing the Company to proceed with the amended terms prior to the conclusion of Act 129 Phase IV. Therefore, it is important that the enclosed **CONFIDENTIAL** Amendment be approved as soon as practical.

Should you have any questions regarding this matter, please do not hesitate to contact me.

Sincerely,

Timothy K. McHugh
