RE: *Monroe Energy, LLC, Lucknow-Highspire Terminals, LLC, Sheetz, Inc.,
and PBF Holding Company LLC v. Laurel Pipe Line Company, L.P.*, Docket
No. C-2025-3053018

Dear Parties:

On January 14, 2026, the Commission entered an Initial Decision in the above-referenced matter. Numerous parties have filed exceptions and reply exceptions to the Initial Decision. Because exceptions and reply exceptions have been filed, this matter is still currently pending before the Commission.

On April 16, 2026, the Commission received a letter from the Pennsylvania Laborers' District Council of the Laborers' International Union of North America (LIUNA). LIUNA's letter was addressed to Commission Chairman, Stephen DeFrank. LIUNA's letter contains statements and additional averments regarding the issues litigated in the above-referenced case.

Because the subject matter of LIUNA's letter concerns the merits of a contested matter still pending before the Commission for final consideration, LIUNA's letter constitutes an *ex parte* communication prohibited by Section 334(c) of the Pennsylvania Public Utility Code, 66 Pa.C.S. § 334(c). Accordingly, please be advised that, in order to cure the *ex parte* communication, I am placing LIUNA's Letter on the docket and serving a copy of this Secretarial Letter and LIUNA's letter on all the Parties of Record to this case.

Sincerely,

Matthew L. Homsher
Secretary
