PARTIES OF RECORD

In re: Application of Gigapower, LLC for approval to alter the public crossing (DOT 249 617 X) by the installation of an aerial figure-8 conduit and fiber optic wireline where Salem Street crosses, at grade, one (1) track of Pennsylvania Northeast Regional Railroad Authority, operated thereon by Delaware-Lackawanna Railroad Company Inc. located in Archbald Borough, Lackawanna County.

To Whom It May Concern:

The above-captioned application was filed with the Commission requesting approval to alter the public crossing within the right-of-way of the subject highway.

In my previous query letter, I erroneously left off the Pennsylvania Northeast Regional Railroad Authority and Delaware-Lackawanna Railroad Company Inc.

It is requested that each party in interest review the application and notify the Commission of any objection to the application by May 7, 2026. If no objection to the application is filed with the Commission by the above stated date, the Commission will approve the application permitting Gigapower, LLC to install its facilities through the public crossing listed in this proceeding in accordance with Section 2702, Title 66 of the Pennsylvania Public Utility Code.

All parties are being sent this notice by e-mail. Please eFile any written objections and formal correspondence via <https://efiling.puc.pa.gov> and e-mail a copy to the below address.
