Re: Brightspeed Fiber Services LLC
Application for Approval to Offer, Render, Furnish or Supply Telecommunications
Services to the Public in the Commonwealth of Pennsylvania

Dear Ms. Stoner:

By Order adopted at Public Meeting held February 19, 2026, at Docket No. A-2025-3058849 the Commission approved the application of Brightspeed Fiber Services LLC (Company) to operate in the Commonwealth of Pennsylvania as a Competitive Access Provider throughout the Commonwealth of Pennsylvania. To receive a certificate of public convenience to provide this service, the Commission directed the Company to file an initial tariff containing the revisions provided in Appendix A of the Order. On April 20, 2026, the Company filed Tariff Telephone-Pa. P.U.C. No. 1 with an effective date of April 20, 2026.

Commission Staff has reviewed the tariff and found it to be in Compliance with the Commission's order. Therefore, Tariff Telephone-Pa. P.U.C. No. 1 has been permitted to become effective as filed. This permission does not constitute a determination that the tariff is just lawful or reasonable, but only that suspension or further investigation does not appear to be warranted at this time, and is without prejudice to any formal complaints timely filed against the tariff.

If you have any questions in this matter, please contact Derek Sharp, Telco Section, Bureau of Technical Utility Services at (717) 783-6185 or dersharp@pa.gov.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.

Matthew L. Homsher
Secretary

Enclosure: Certificates of Public Convenience
