STAR FUEL TRANSPORT LLC  
3767 CARRINGTON CIRCLE  
EASTON, PA 18045

To Whom It May Concern,

On March 20, 2026, the Commission received Star Fuel Transport LLC's request to cancel a certificate of public convenience. However, Star Fuel Transport LLC still owes its outstanding assessment in the amount of \$1278.00.

Section 510 of the Public Utility Code, 66 Pa. C.S. § 510, authorizes the Pennsylvania Public Utility Commission to assess all public utilities a percentage of their gross intrastate operating revenues for the preceding calendar year. The Commission sent Star Fuel Transport LLC Notice of Assessment for fiscal year 2025/26 on or around October 15, 2025.

The Notice of Assessment advised Star Fuel Transport LLC that it had thirty (30) days to pay the amount assessed. Star Fuel Transport LLC was further advised that if it had any objections to the assessed amount that objections had to be made in writing within fifteen (15) days and submit payment for the assessed amount.

Star Fuel Transport LLC did not file objections to the assessed amount and it has not submitted payment for the assessed amount.

The Commission will cancel Star Fuel Transport LLC's certificate of public convenience within twenty (20) days of the date of this letter. Furthermore, if Star Fuel Transport LLC's outstanding assessment is not paid within twenty (20) days of this letter, the Commission will refer this matter to the Attorney General of Pennsylvania for appropriate action and request suspension or revocation of automobile registration with the Department of Transportation.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.

Secretary
