FOURTH Request for Information

1. Your updated application has been received and accepted.
2. With your application you are required to submit a contract (or at least a letter of intent) for each healthcare broker with whom you wish to contract. You may mention multiple brokers on one application. Any additional contract that you enter in the future requires an additional application and fee. However, there was a miscommunication or misunderstanding in our previous correspondence. If you are unable to provide a signed contract (preferred) prior to qualifying to be issued a permit, a Letter of Intent must be submitted to the PUC that has been written by EACH OF THE BROKER(S) you intend to work with. Note that any and all brokers must be included in this application, and those must be PUC licensed. Adding others at a later date would require an additional application and fee. The Pennsylvania Medicaid OBRA Waiver should not be mentioned, it is not licensed by the PUC. PUC Authority only authorizes work with permitted Brokers.
3. The service area portion of the application should also be re-written and re-submitted (you can re-supply that page only), something along the lines of the following:

“To transport, by motor vehicle, persons in Contract Carrier of Passengers Service, for Coordinated Transportation Solutions Inc and Medical Transportation Management Inc, from points in the Counties of Bucks, Chester, Delaware, Montgomery and the City and County of Philadelphia, to points in Pennsylvania, and return.”

- 1) Finally, regarding drivers: The responses to questions 5(a), 5(b), 5(c), 5(d) and 5(e) of the verified statements are insufficient. Title 52 Pa. Code § 29 provides detailed requirements. **Please provide a system which incorporates code specified compliance requirements for frequency and retention of driver records.** Each of your answers to sections of this question were insufficient:
  - § 29.503. Age restrictions.
  - § 29.504. Driver history
  - § 29.505. Criminal history.
