Request for Information

- 1.) In the Data Request dated 4/9/26, Question #2 asked the following: “Please list all cargo not related to your contracting services. Who hires you and who reimburses you for those services?”. Your answer was “N/A”. In our telephone conversation on 4/22/26, you stated that approximately 10% of your business as a utility contractor is to haul products other than your own, and you are paid for these hauling services. Per our conversation, please provide an answer.
