**RE: Unaccounted for Gas (UFG) Reporting - 2025
Attachment 1: Data Request - PAPCO, Inc.**

RCVD PUC SEC BUR
MAR 30 2026 AM 11:24

Dear Secretary's Bureau:

Pursuant to 52 Pa. Code 59.111, the following is provided with regards to the supporting data for any adjustments made. They provide the information as required by 'Attachment 1: Data Request'.

1. Company Use: PAPCO, Inc. owns a natural gas processing plant. The adjustment listed on the UFG Reporting under this category is from operating the compressors, hot oil heater, etc. at the gas plant. Meters on the equipment are read and recorded daily.
2. Other: PAPCO, Inc. owns a natural gas processing plant. The adjustment listed on the UFG Reporting under this category is from the propane, butane, and natural gasoline that is separated from the natural gas and then sold. A correction for pressure is made at the meters when collecting and purchasing the natural gas from the field. A correction for temperature is only made on the product that is sold. The numbers reported come from gauges on the trucks at the loading station and relayed to the accounting department, which reflects the product sold.

I, Darryl E. Pierce, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa. C.S. §4904 (relating to unsworn falsification to authorities).

Sincerely,

Darryl E. Pierce, P.E.
Secretary/Treasurer
