ALL PARTIES OF RECORD

Re: Helena Barnhill v Philadelphia Gas Works  
Docket Number: C-2025-3056201

To All Parties of Record:

On April 23, 2026, my office received Exceptions to the Initial Decision of Administrative Law Judge Brady in the above captioned matter. Our review of the filing revealed that no certificate of service or other indication that the parties of record to the case were served with the Exceptions. Therefore, we have enclosed a copy of the Exceptions to constitute service for purposes of 52 Pa. Code §5.533.

Due to the failure of Helena Barnhill. to provide service on all the parties of record to the case, and in order to avoid prejudice to any party pursuant to 52 Pa. Code §5.535, the Respondent shall have until May 7, 2026 to file Reply Exceptions.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.

To whom it may concern,

I disagree with all decisions made in my case. From what I understand, I do not have enough evidence to refute my claim. I will collect notarized documents to prove that my neighbors and I received new meters in the year of 2022 or 2023. I wanted to inform you that the story of me receiving my new meter in 2006 is untrue. If I were given new pipes in my front yard that means it would have been hooked up to old meters, which is also untrue. I was told that it is safe due to the pipes being 9 ft. & 6 inches in the ground, but that does not help in any way. I do not feel safe with the current circumstances and would like this issue to be fixed.

Sincerely, Helena Barnhill
