**PENNSYLVANIA WEATHERIZATION PROVIDERS TASK FORCE, INC.’S  
PRE-HEARING CONFERENCE MEMORANDUM**

**I. HISTORY**

The Pennsylvania Weatherization Providers Task Force, Inc. (Task Force) intervened in this matter by Petition to Intervene filed with the PUC on April 7, 2026. The Task Force is a Pennsylvania non-profit corporation and a statewide association of thirty-eight (38) organizations providing utility assistance and energy conservation services in each of the Commonwealth’s sixty-seven (67) counties. The Task Force has intervened in prior matters before the Pennsylvania Public Utility Commission for the purpose of addressing a company’s universal service programs and the effects of any requested rate increases, and rate design on low-income customers. The Task Force intervened in this particular matter to examine the effect of the proposed rate increase and rate structure on low-income customers and to address whether the Company’s universal service programs are appropriately funded and available.

**II. ISSUES TO BE PRESENTED BY THE TASK FORCE**

1. Whether the Company’s universal service programs are appropriately funded and available and whether those programs will remain appropriately funded and available if the request for a rate increase is granted.

2. The effect of any proposed rate increase or rate structure on the residential customer class and particularly low-income, residential customers.

3. Such other additional issues as may arise during the discovery process.

**III. WITNESSES**

The Task Force will present the testimony of Jennifer Warabak, a Member of the Task Force. The Task Force reserves the right to supplement this list of witnesses.

**IV. PROPOSED SCHEDULE**

The Task Force is working with the other parties to agree upon a proposed schedule and expects an agreement to be reached before the prehearing conference.

Respectfully submitted,
