**Re: FirstEnergy Pennsylvania Electric Company Request for Pennsylvania Public Utility Commission Staff Approval of a CSP Contract for Small and Large Commercial and Industrial Energy Efficiency Programs and Residential Agricultural Programs Services;  
Docket No. M-2025-3057327**

Dear Secretary Homsher:

Enclosed for filing is the executed **CONFIDENTIAL** Conservation Service Provider ("CSP") contract between FirstEnergy Pennsylvania Electric Company ("FE PA" or the "Company") and CLEAResult Consulting Inc. ("CLEAResult") for Phase V of the Company's Act 129 Energy Efficiency and Conservation Program ("CSP Contract"). The CSP Contract is submitted by the Company for the Pennsylvania Public Utility Commission's ("Commission") approval pursuant to the Implementation Order of the Commission entered June 18, 2025, at Docket No. M-2025-3052826.

Included is a **CONFIDENTIAL** copy of the Company's cover sheet summarizing the aspects of the contract as required by the Commission Phase IV Implementation Order.<sup>1</sup>

The enclosures are marked **CONFIDENTIAL** because they contain competitively sensitive information, including, but not limited to, details about the bids received for the services to be provided under the CSP Contract as well as the Company's evaluation of such bids. Therefore, the Company respectfully requests that the Commission afford the enclosures proprietary treatment and place them in a non-public folder.

Further, the Company notes that the enclosed **CONFIDENTIAL** CSP Contract will only be effective upon Commission approval.

---

<sup>1</sup> *Energy Efficiency and Conservation Program*, Docket No. M-2020-3015228, at 114-117 (Order entered June 18, 2020).

Matthew Homsher, Secretary  
April 23, 2026  
Page 2

FE PA respectfully requests that the Commission approve the enclosed **CONFIDENTIAL** CSP Contract through an expedited review process, thus allowing the Company to proceed with services provided to the Company under the terms of the CSP Contract to coincide with the start of Act 129 Phase V on or before June 1, 2026. Therefore, it is important that the enclosed **CONFIDENTIAL** CSP Contract be approved as soon as practical.

Should you have any questions regarding this matter, please do not hesitate to contact me.

Sincerely,

Timothy K. McHugh
