Docket No. A-2026-3061933
Deira Logistics LLC t/a Towvera Towing & Recovery

Request for Information

- 1.) Under Question #10 of the application, you stated that you are transporting "...operable motor vehicles, including automobiles, light and medium, duty vehicles and other similar property". Please describe where you are picking up and dropping off the "operable motor vehicles" and for what purpose. Also, please describe in detail an explanation of "other similar property".

Attached Page - 1 and 2

Response to Question #10:

The Company proposes to transport operable motor vehicles and similar property on an as-needed, contractual, and dispatch basis within the Commonwealth of Pennsylvania.

Pickup and Delivery Locations & Purpose:

Operable motor vehicles will be picked up from and delivered to locations including, but not limited to:

- Residential properties (private customers)
- Automotive repair shops and service centers
- Dealerships (new and used vehicle dealers)
- Auction facilities
- Fleet management companies and commercial clients
- Storage facilities

The purpose of these transports includes:

- Relocation of vehicles for maintenance or repair
- Delivery of newly purchased or sold vehicles
- Recovery services
- Transportation of fleet vehicles between business locations
- Emergency roadside assistance or breakdown relocation
- Customer-requested vehicle relocation.

Explanation of "Other Similar Property":

"Other similar property" refers to items comparable in nature to operable motor vehicles that require specialized transport equipment such as flatbed trucks, trailers, or tow vehicles. These may include:

- Motorcycles, scooters, and Mini-Vans
- Light commercial equipment (e.g., small utility Pickups, vans)

- Small machinery or equipment that can be safely loaded and transported using vehicle transport equipment
- Other wheeled or towable property requiring similar handling, securement, and transport methods

This definition excludes household goods, hazardous materials, or regulated freight requiring specialized authority beyond standard motor vehicle transport.
