PETITION FOR EXTENSION OF TIME

To Pennsylvania Public Utility Commission:

AND NOW, comes the County of York and submits the following in support of its Petition for Extension of Time to complete certain items of work as required by the Commission's Secretarial Letter dated March 8, 2024:

1. The name and the address of your Petitioner is:
York County Board of Commissioners
York County Administrative Center
28 East Market Street, York, PA 17401
2. The name and address of Petitioner's Assistant Solicitor is:
Deirdre Sullivan, Esquire
York County Administrative Center
28 E Market Street
York, PA 17401
3. This is a case wherein the Commission granted the County of York (hereinafter "County") approval to perform a full replacement of a bridge located within the public right of way of the public crossing (DOT 592 279 T) where Mill Road, crosses, at grade, a single track of Norfolk Southern Railway Company (NS) in Upper Allen Township, Cumberland County.
4. The Commission's March 8, 2024 Secretarial Letter requires that construction of the alteration of the crossing be completed on or before December 31, 2025.
5. The County has experienced delays due to difficulty in obtaining all necessary rights of way and property for the project.
6. The County only obtained final right-of-way clearance, necessary for compliance with applicable Federal and State law and regulations, on October 29, 2025.
7. Due to the unforeseen delays encountered by the County, it is just and reasonable for the Commission to grant an extension of time within which to complete the project.

WHEREFORE, the County respectfully requests that the Commission grant the County's Petition for

Extension of Time and modify the Commission's Secretarial Letter of March 8, 2024 to read as follows:

FROM - 12. The alteration of the crossing be completed on or before ~~December 31, 2025~~, and that on or before said date, York County report in writing the date of actual completion of the work to this Commission and certify to the parties of record and this Commission that the work has been satisfactorily completed in accordance with the approved plans and this Secretarial Letter.

TO - 12. The alteration of the crossing be completed on or before **December 31, 2027**, and that on or before said date, York County report in writing the date of actual completion of the work to this Commission and certify to the parties of record and this Commission that the work has been satisfactorily completed in accordance with the approved plans and this Secretarial Letter.

Respectfully submitted,

Jim Runshaw
Executive Director of Facilities
County of York
