Dear Mr. Keilson and Mr. Gruin:

On April 1, 2026, the Commission received your Application of Evergreen Gas & Electric, LLC for approval to supply electric generation services to the public in the Commonwealth of PA. Upon initial review, the Application has been determined to be incomplete for the following reason:

- A typing error was found when verifying the company name, Evergreen Gas & Electric, LLC, on the Pennsylvania Department of State Corporation Bureau website. The company name is listed correctly everywhere on the application and the continuous bond. However, the company name is listed as "Evergreen Gas & Electic, LLC" on the Pennsylvania Department of State Corporation Bureau website. Please contact the Pennsylvania Department of State Corporation Bureau in order to have that typing error corrected on the website.

Please return your item to the above listed address and address to the attention of Secretary Homsher. Failure to do so within 20 days of the date of this letter will result in the Application being returned unfiled.

Should you have any questions pertaining to your application, please contact our Bureau at 717-772-7777.

Sincerely,

A handwritten signature in black ink that reads "Matthew L. Homsher". The signature is written in a cursive style.

Matthew L. Homsher
Secretary
