**RE: Columbia Water Company
Distribution System Improvement Charge
Effective May 1, 2026
M-2026-3062077**

Dear Ms. Snyder:

The Bureau of Audits has reviewed Columbia Water Company's proposed Supplement No. 139 to Tariff Water – Pa. P.U.C. No. 7 and the supporting rate computations submitted on April 27, 2026 to become effective on May 1, 2026.

Based upon staff review, it appears that the proposed Distribution System Improvement Charge (DSIC) rate for the three-month period of May 1, 2026 through July 31, 2026 is consistent with the tariff and, accordingly, is permitted to become effective as filed.

The DSIC is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2026-3062077.

Sincerely,
