To whom it may concern,

My name is Michael Koenig, I am the owner of MJK Transport LLC, PUC# 8916989. I recieved a Tentative Order to cancel my Certificate Of Public Convenience for reason of Failure to Report Positive Operating Revenue. I am writing to challange that order. My company has had operations continuously since its creation, however it has not reported income to the PUC since my work is over-the-road and consits of loading in PA and delivering out of state, or loading out of state and delivering back in PA. I did not do Intrastate work. However going forward I will have revenue to report as I have transitioned to tri-axle dump truck hauling, which is all intrastate and involves a mix of reportable work and also some exempt hauling.

Best Regards,

Michael Koenig
