Dear Matthew,

In response to the tentative order dated April 16, 2026 Docket No. M-2026-3061024 pertaining to the cancellation of our Certificate of Public Convenience (CPC), we would like to challenge the cancellation and inform you that we are still active. Our company: W. A. Petrakis Contracting LLC utility code 8919939, Docket No. A-2017-2607002. We report 0 revenue from our transportation because the main purposes of our trucks is to support our Utility excavation contracts. We can break down the usage of our trucks into:

Hauling Excavated Materials in dump trucks for the purpose of installing underground utilities such as Water, Sewer and Gas lines for various municipalities and authorities.

Private Transportation of Property, mobilizing our own equipment and material to job sites.

Hauling road Construction Materials such as asphalt, millings, stone, etc for reparation of public and private roads depending on project locations

We do not rent our trucks to other companies for hauling purposes and do not outsource our transportation to anyone. Our transportation is incidental to the work we perform as mentioned above.

Therefore we request the order to cancel our CPC be halted and we continue business as usual. If we are mistaken please reach out and we will cooperate with any needs.

Thanks,

William Petrakis
