Secretary's Bureau

Re: Cancellation of Certificates of Public Convenience for Common Carriers;  
Failure To Report Positive Operating Revenue.

Attention:  
Matthew L Homsher, Secretary

Attached please see proof of filings for the years 2024, 2025. These were filed online through the portal: <https://portal.puc.pa.gov/> using the Utility codes and Access codes provided by the PUC. Also, see proof of submission by email from the PA PUC.

I have copies for every year filed since 2018 when the Certificate was received.

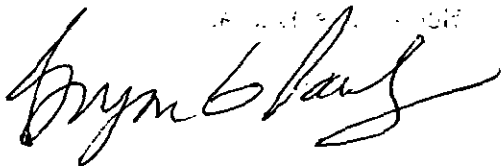

Please verify that you have received and reviewed the attached items either via US Mail or email at [bryanpaulingtrucking@aol.com](mailto:bryanpaulingtrucking@aol.com).

And, that this case will be closed by your office.

I do not understand how my filings were not received when they were filed in a timely manner and through the portal as requested, and an email was received stating that the filings were received. This is terribly troubling that the PUC spends funds filing cancellations when this is obviously something that has occurred either through the PUC's handling of paperwork or through their portal.

I truly hope that this clears up whatever error has occurred and that I do not receive another notice of cancellation.

THEODORE M. STAGI  
If I can be of any further assistance in clearing up this matter, do not hesitate to contact me.

Cancellation Of Certificates Of Public Convenience  
For Common Carriers; Failure To Report Positive  
Operating Revenue .

Docket No. M-2026-3061024

**TENTATIVE ORDER**

**BY THE COMMISSION:**

The Public Utility Code requires that by March 31 of each year, every public utility must file a report detailing its gross intrastate operating revenue for the preceding calendar year. 66 Pa.C.S. § 510(b). This report is essential for the Commission to fund its operations and to properly allocate assessment costs among the regulated utility community. *Id.* Additionally, common carriers are required to operate continuously and without unreasonable interruptions of service. 66 Pa.C.S. § 1501; 52 Pa. Code §§ 29.61-62. Commission regulations authorize the cancellation of a common carrier's Certificate of Public Convenience (CPC) for failure to comply with operating and reporting requirements, as well as other provisions of the Public Utility Code. 52 Pa. Code §§ 29.12 (Motor Carriers of Passengers), 31.12 (Motor Carriers of Property).

Dear Sir or Madam

The Pennsylvania Public Utility Code, 66 Pa. C.S. §510(b), requires every public utility to file with the Commission a statement, under oath, showing its gross intrastate (jurisdictional) operating revenues for the preceding calendar year. Enclosed is the Assessment Report (Form AR-25-MC) that all Motor Carriers, including those registered with the Federal UCR program, must file with the Commission on or before **March 31, 2026**. No extensions will be granted. Revenue is estimated for companies who fail to file the Assessment Report. Estimated revenue is legally binding.

Utilities have the option to file their annual Assessment Report electronically via the Commission's Assessment Revenue Reporting Portal, or by completing the enclosed paper form (AR-25-MC). Filing through the portal is strongly recommended because it is the most efficient method. Your report is received immediately, and you will have confirmation of your submission. Additionally, when filing your assessment report through the portal, notarization is not required.

To file online, please visit <https://portal.puc.pa.gov/>. The following information will be needed to login:

Utility Code: 8920884  
Access Code: 25J6W7X4Y8Z

If you choose to file a paper form, please carefully read the enclosed instructions. The completed original report, with signature and notarization, must be filed with the Commission's Assessment Section no later than **March 31, 2026**.

Please file using only ONE method- through the portal OR on the paper form. Do NOT file both ways. Any questions regarding Assessment Reports should be directed to the Assessment Section at (717) 265-7548, or via email at [pucassessments@pa.gov](mailto:pucassessments@pa.gov).

Sincerely,

Matthew L. Homsher  
Secretary

Dear Sir or Madam

The Pennsylvania Public Utility Code, 66 Pa. C.S. §510(b), requires every public utility to file with the Commission a statement, under oath, showing its gross intrastate (jurisdictional) operating revenues for the preceding calendar year. Enclosed is the Assessment Report (Form AR-24-MC) that all Motor Carriers, including those registered with the Federal UCR program, must file with the Commission on or before **March 31, 2025**. No extensions will be granted. Revenue is estimated for companies who fail to file the Assessment Report. Estimated revenue is legally binding.

Utilities have the option to file their annual Assessment Report electronically via the Commission's Assessment Revenue Reporting Portal, or by completing the enclosed paper form (AR-24-MC). Filing through the portal is strongly recommended because it is the most efficient method. Your report is received immediately, and you will have confirmation of your submission. Additionally, when filing your assessment report through the portal, notarization is not required.

To file online, please visit <https://portal.puc.pa.gov/>. The following information will be needed to login:

Utility Code: 8920884  
Access Code: 243B2J5U6U4

If you choose to file a paper form, please carefully read the enclosed instructions. The completed original report, with signature and notarization, must be filed with the Commission's Assessment Section no later than **March 31, 2025**.

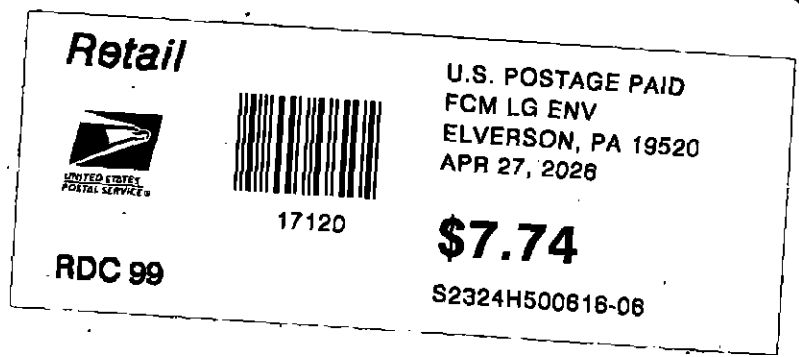

Please file using only ONE method- through the portal OR on the paper form. Do NOT file both ways. Any questions regarding Assessment Reports should be directed to the Assessment Section at (717) 265-7548, or via email at [pucassessments@pa.gov](mailto:pucassessments@pa.gov).

Sincerely,

Rosemary Chiavetta  
Secretary
