ROBERT F PETERS JR  
249 MARION ST  
CORY PA 16407

April 28, 2026

To whom it may concern:

Please accept this letter as a formal objection to the Tentative Order I received in the mail yesterday, Docket No. M-2026-3061024. This order is for the potential cancellation for my PUC 8923301.

I, Robert F Peters Jr, am just getting into this business officially. I am by myself with one truck and was getting into this business as a hobby. I was not fully aware, that in order to keep my authority, that I would need wages.

Moving forward, I am now aware of the consequences, and will now be actively getting my business off the ground to obtain wages for this business. Please accept my objection to this cancellation and allow me to correct this situation.

Respectfully,

A handwritten signature in black ink, appearing to read "Robert F Peters Jr.", with a long horizontal flourish extending to the right.
