**RE: Application for Approval of the Abandonment of all Pennsylvania
Jurisdictional Pipeline Service for MIPC, LLC**

Dear Mr. Bakare:

On April 6, 2026, MIPC, LLC's Application for Approval of the Abandonment of all Jurisdictional Pipeline Service in the Commonwealth of Pennsylvania was accepted for filing with the Pennsylvania Public Utility Commission (Commission). The application for abandonment was incomplete. In order for us to complete our analysis of your application, the Energy Industry Group requires answers to the attached questions.

Please be advised that you are directed to forward the requested information to the Commission within **30** days of receipt of this letter.

The Commission strongly encourages submission through efilings with the Secretary of the Commission by opening an efilings account through the Commission's website and accepting eservice at <https://efiling.puc.pa.gov>. The Commission is accepting all public documents through our efilings system at this time.

If your filing contains confidential material, you are required to either file by overnight delivery or submit to the Secretary's Share Point File system to ensure the timely filing of your submission. Filers should contact the Secretary's Bureau in advance to gain access to the Share Point File system. Make sure to reference the Docket Number listed above when filing your response and mark the materials "CONFIDENTIAL" in bold or highlighted manner if any of the requested information is deemed to be of a confidential nature.

The overnight address for hard-copy or confidential responses is:

Matthew L. Homsher, Secretary
Pennsylvania Public Utility Commission
400 North Street, 2nd Floor
Harrisburg, PA 17120

Your answers should be verified per 52 Pa Code § 1.36. Accordingly, you must provide the following statement with your responses:

I, [print name of appropriate company representative], hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa. C.S. § 4904 (relating to unsworn falsification to authorities).

Signature _____
Title _____
Date _____

To expedite the company's responses, please also send a copy of your submission to Lee Yalcin at lyalcin@pa.gov. If any problems arise that prevent a full timely response or if any clarification of these data requests is needed, please contact Lee Yalcin of the Bureau of Technical Utility Services via e-mail at lyalcin@pa.gov (preferred) or (717) 787-6723.

Sincerely,

Matthew L. Homsher
Secretary

MIPC, LLC
Docket No. A-2026-3061592
Data Requests

Reference: Application for Approval of the Abandonment of all Pennsylvania Jurisdictional Pipeline Service for MIPC, LLC

1. a. Provide annual throughput volumes (by product type) for each year since 2012.
b. Identify all entities that requested service, inquired about service, or were denied service on the Pipeline.
2. a. Describe in detail the corporate structure linking MIPC, Monroe Energy, and any upstream parent entities.
b. Explain how rates, terms, and conditions for service have been established (tariff vs. contract).
c. Identify any cost allocations, shared services, or financial transfers between MIPC and Monroe Energy, or other affiliates.
3. a. Provide annual revenues, operating expenses, and capital expenditures associated with the Pipeline for the past five years.
b. Quantify any projected cost savings associated with abandoning jurisdictional service.
c. Explain why continued certificated service is not economically reasonable.
4. Identify any potential adverse impacts resulting from the proposed abandonment and explain the measures that will be taken to mitigate those impacts.
5. a. Provide per-barrel cost comparisons for transporting crude oil, gasoline, or petroleum products via third-party pipeline, rail, truck, and barge.
b. Identify any capacity constraints or operational limitations associated with such alternatives.
c. Explain whether Monroe Energy is dependent on the MIPC for its operations.
6. a. Describe in detail how the Pipeline will be operated following abandonment, will the pipeline be subject to other jurisdictions?
b. State whether MIPC will offer crude oil, gasoline, or petroleum products transportation services to any entities or persons other than Monroe Energy post-abandonment.
7. a. Provide inspection reports, incident reports, and safety audits for the past five years.
b. Describe any changes to safety oversight, reporting, or compliance obligations following abandonment.
8. a. Provide the original cost, net-book value, and current valuation of the Pipeline assets pursuant the Application for abandonment.
b. Identify whether any portion of the Pipeline was funded through rates or other jurisdictional mechanisms.
c. Explain how the company ensures that abandonment does not result in the transfer of public utility assets for private benefit without appropriate compensation.
