RE: Downs Trucking LLC
Utility Code #708187 Docket # A-00123098

I am the accountant for the above client. My client recently received a letter from your department stating that their Certificate of Public Convenience (CPC) was being cancelled. The reason stated was that my client had reported zero revenue for two consecutive years. This was valid for years 2023 and 2024, which showed exempt revenue for those years. However, in prior years and also in the most recent year, 2025, my client is showing non-exempt revenue. I have attached the last 5 years of the assessment reports verifying this.

My client is challenging the cancellation of their CPC and is requesting that their CPC status remain active. The loads/jobs that they transport vary from load to load. Some are exempt and some are not. If you have any questions or need further documentation, please contact me at the Bedford office.

Thanks,

Bruce E Koontz

I authorize the above statements.
