I'm writing this letter in your response to your letter stating our possible cancelation of our Pa, PUC . after receiving the letter I started asking other small truckers about what's chargeable for the PUC and what's not, when I asked 2 of the larger haulers I got a different response... do to my IGNORANCE of not reading the application correctly, I realized that hauling salt was not a part of the construction materials that I filed in the gross revenue of the PUC form. The salt revenue for 2024 was \$77,634.00 and for the year 2025 was \$37,523.00. which I'll be happy to pay for .

Sir, we run a clean company, our drivers are all on listed on the Clearing house, they are all tested regularly with A.D.A.D. a drug testing company , none of our driver have any speeding fines or truck overload fines or any driver issues with the law. I can't afford to lose any time or have a suspension of our plate registrations , please give us a chance to rectify this problem, I will be happy to pay for our mistakes.

Sincerely

  
James W Oliveri
