Erin L. Gannon, Administrative Law Judge

PA Public Utility Commission

400 North Street, PA 17120

Subject: Motion for Continuance | PA PUC e-file system Docket #: F-2025-3059526

Hearing Date: May 27, 2026.

Dear Judge Gannon –

I am filing a motion for continuance requesting an alternative date be selected for the pre-hearing. Unfortunately, I have a conflict that I cannot change. I am away on vacation in Colorado and will be driving 4 hours on the 27th through the Rocky Mountain range back to the Denver Airport during the time of the pre-hearing.

In the spirit of fleet safety, it is prudent to reschedule the date to a time/date that is more suitable for me to attend the call. I want to be able to give 100% attention and focus during the pre-hearing, thus the reason for the motion. I am making this request directly to you and am I am not aware if the other party agrees with the request. Thank you in advance for your understanding and flexibility on this matter.

I look forward to a response and getting the date rescheduled.

Respectfully,

Paul G. Roush
