Re: Gas Service at 97 N Mill Street, New Salem, PA 15468
PSID [REDACTED]

Mr. Decarlo,

I am writing to you on behalf of Columbia Gas of Pennsylvania, Inc. (“Columbia Gas”), and its parent company NiSource Inc. (“NiSource”). It has come to the attention of Columbia Gas that the above-referenced premises (designated by Premises Identification number or “PSID”) is receiving natural gas service both from Columbia Gas and from an additional gas line to the building from a well. This “dual feed service” is a non-standard gas configuration and presents safety and operational concerns. Columbia Gas is not required to accommodate dual feed configurations for service.

To resolve these concerns, we are hereby notifying you that you are required to begin taking 100% of its gas service from *either* Columbia Gas *or* from the well on a permanent basis. The premises can no longer remain connected to both sources of natural gas supply and any such dual feed connection must be permanently disconnected. If you choose to receive 100% of gas service from Columbia Gas, the well lines must be plugged to ensure that there is only one source of gas that is capable of entering the building. If you choose to receive service from the well, service with Columbia Gas can be re-established in the future, provided that the premises is physically disconnected from the well permanently.

The decision regarding the source of gas service is entirely at your discretion. Columbia Gas requests that you notify us of that decision within 30 days from receipt of this letter. Enclosed for your convenience is a form that may be used to indicate your choice. Please check your desired choice, print your name in the space provided, sign and date the form and return it to my attention in the enclosed postage-prepaid envelope. Your non-response will be taken as an indication that you wish to discontinue service with Columbia Gas and the Company will notify you when it schedules the removal of the meter at your premises.

If you have any questions, I can be reached by phone at 724-420-6377 or by email at rdanhires@nisource.com.

Sincerely,

A handwritten signature in blue ink that reads "Ribeka S. Danhires".

I, Anthony Decarlo, 97 N Mill Street, New Salem, PA 15468, Columbia Gas PSID [REDACTED] opts to receive 100% of its natural gas service from **Columbia Gas of Pennsylvania, Inc.** I hereby certify that all connections to sources of supply other than Columbia Gas of Pennsylvania have been permanently detached and shall not be reconnected. I understand that the gas lines on my property are subject to inspection by Columbia Gas at any time and if a dual feed service is identified in the future, service may be terminated immediately without prior notice.

I, Anthony Decarlo, 97 N Mill Street, New Salem, PA 15468, Columbia Gas PSID [REDACTED] opts to receive 100% of its natural gas service from a **well**. I hereby request Columbia Gas to terminate my gas service account, remove its meter and disconnect the service line. I acknowledge that I may resume taking service from Columbia Gas at any time in the future; provided that I take 100% of its gas service from Columbia Gas and demonstrates to Columbia's satisfaction that all connections to other sources of natural gas have been permanently removed.

Case #: 4111593

Tony DeCarlo
Po Box 143
New Salem PA 15468

Dear Tony DeCarlo,

You contacted the Public Utility Commission's Bureau of Consumer Services on 1/12/2026 and filed an informal complaint against Columbia Gas of PA. You stated in your complaint that you are being served from dual lines on your property, and you have been served from these dual lines for 30+ years. You stated that you received a letter from Columbia Gas stating your service would be discontinued from both the Company's line and the well line. You requested the PUC to assist in stopping the discontinuance of service and maintaining your service with both Columbia Gas and the preexisting well.

The company reported that their current tariff permits termination of service where a customer's installation presents any safety concerns. The company stated that they are giving you 45 days from the receipt of the original termination letter to decide whether you want to continue service 100% with Columbia Gas or 100% through the existing well. The company is fully authorized to terminate service under 52 Pa. Code §56.98(a) due to the safety and operational risks created by a customer's dual-feed configuration.

According to Columbia Gas' tariff Section 18.4 *Termination of Service*, Gas service may be immediately terminated without prior notice specified in the Notice of Termination of Service section in any of the following situations: (2) Any customer action taken that may endanger the safety of a person or the integrity of the Company's delivery system, (5) Hazardous or defective customer installations, and (6) Customer's equipment or use thereof might injuriously affect the equipment of the Company or the Company's service to other customers.

The Bureau of Consumer Services has limited authority to resolve your service issue, and we have closed your informal complaint.

You may pursue this matter further by filing a formal complaint. The formal complaint process involves a legal proceeding before an ALJ, similar to a trial. This means that you and the utility must present facts on the issues raised in your complaint to the ALJ. You must participate in a hearing, respond to questions from the utility and prove why the judge should uphold your position. Formal complaint forms can be found on the PUC website (www.puc.pa.gov), or by calling 717-772-7777.

Sincerely,

Olivia Haring

5. REQUESTED RELIEF

How do you want your complaint to be resolved?

Explain what you want the PUC to order the utility or company to do. If you need additional space, use the space provided on Page 9. Please indicate the number of the question that you are answering.

Our gas service for the last 33+ years has been through gas wells located on our farm. We do however have a gas line from Columbia Gas that we paid to tap into and a meter that we have paid a monthly fee for for the last 33 years and have never used it. We have used the natural gas for all these years. Columbia Gas has sent us a letter stating that we need to choose what form of gas we want or they are disconnecting our gas line. They claim that we have a "dual feed" which isn't true. We only have a gas line that we paid to tap into that has never been used and a meter that we have paid for for 33 years and is never used. We only have this incase the gas wells dry up then we can switch over to Columbia Gas. But we have never done that. We are not getting "fed" by Columbia Gas and there is no safety issue concerning this. Columbia Gas is not turned on at all. Our driveway is 600 feet long and the line is at the bottom of the driveway on the main road. We benefit nothing from this. But they are threatening to shut us off if we don't choose. They have no good reason for this. They keep saying that we are being dual fed and that this not true. We have spend over \$7,000 over the years paying a monthly fee for a meter and we get nothing from it. We paid a tap in fee of over \$1000 33 years ago. An employee comes out every 5 years to verify everything is ok. They sent 2 employees here a week ago to look at things and they also agreed that there is no safety issue. We want them to stop harrassing us and let this go. There are no safety issues.

Note: The PUC can decide that a customer was not billed correctly and can order billing refunds. The PUC can also fine a utility or company for not following rules and can order a utility or company to correct a problem with your service. Under state law, the PUC cannot decide whether a utility or company should pay customers for loss or damages. Damage claims may be sought in an appropriate civil court.

6. PROTECTION FROM ABUSE (PFA)/DOMESTIC VIOLENCE

Has a court granted you a PFA order or any other order which provides clear evidence of domestic violence against you that is currently in effect for your personal safety or welfare? The PUC needs this information to properly process your complaint so that your identity is not made public.

Has a court granted a PFA order or any other order for your personal safety or welfare?

- Yes If your answer is "yes," attach a copy of the current PFA order to this Formal Complaint form. *Due to the confidential nature of the PFA, you cannot eFile your Formal Complaint. You will need to print out this form and mail it to the Secretary of the Commission.*

- No

Note: If you answered yes, move to Section 8. No further contact with the utility or company is required. If you answered no, answer the question in Section 7 b. and answer the question in Section 7 c. if relevant.

b. If this is not an appeal from a BCS decision, have you spoken to a utility or company representative about this complaint?

Note: You **MUST** contact the utility first if (1) you are a residential customer, (2) your complaint is against a natural gas distribution utility, an electric distribution utility or a water or wastewater utility AND (3) your complaint is about a billing problem, a service problem, a termination of service problem, or a request for a payment agreement.

ADDITIONAL SPACE (IF NEEDED)

Question #5 When you have several employees who are sent to the home to check everything to verify that there are no security issues and every one of them report back that there aren't any why do they keep saying there's an issue. They won't let this go. We aren't doing anything wrong. We definitely aren't being "fed" by any gas from Columbia Gas. All we have is a line and meter but no gas is going into or up to our house from them.
